Dear Parents:

I would like to take this opportunity to welcome your child to the Newport Public Schools.

The entrance of your child into our school system is the first step in a collaborative relationship between you and the faculty and staff of the Newport Public Schools. It is important for us to work together over the course of your child's school years to ensure that your child can reach his or her maximum potential and become a successful, contributing member of our society.

We look forward to working with you and your child.

Sincerely,

John H. Ambrogi, Ed.D.
Superintendent of Schools
