

## NEWPORT PUBLIC SCHOOLS PRESS RELEASE

**Date:** Wednesday, August 17, 2011

**Office of the Superintendent of Schools  
City of Newport, Rhode Island**

### **Information:**

Dr. John Ambrogi, Superintendent of Newport Public Schools, announced today receipt of correspondence from the Rhode Island State Department of Education which has approved the district's Design Development Set for the Claiborne Pell Elementary School.

This is, yet, another milestone in the school construction process, as it reflects the authorization of the Rhode Island State Department of Education to proceed with construction documents in anticipation of a September public bid for new school construction.
